## SUMMARY

---

Dedicated Chemical Plant Operator with over 5 years of experience in optimizing production processes and ensuring safety compliance. Proven track record in reducing operational costs and improving efficiency through innovative problem-solving and teamwork.

## EXPERIENCE

---

### Chemical Plant Operator

Jan 2022 - Present

*Global Chemicals Inc., Houston, TX*

- Increased production efficiency by 15% through the implementation of automated monitoring systems.
- Reduced operational costs by \$50,000 annually by optimizing chemical feed rates.
- Ensured 100% compliance with safety regulations, leading to zero workplace incidents over the last year.

### Chemical Process Technician

Jun 2019 - Dec 2021

*ChemTech Solutions, Houston, TX*

- Streamlined batch processing schedules, reducing turnaround time by 20%.
- Conducted regular maintenance on equipment, improving lifespan by 30%.
- Assisted in the training of 5 new operators, enhancing team productivity.

### Production Assistant

May 2018 - May 2019

*EcoChemicals LLC, Houston, TX*

- Supported daily operations leading to a 10% increase in output.
- Participated in safety audits, contributing to a 25% reduction in compliance issues.
- Monitored chemical properties, ensuring quality control standards were consistently met.

## EDUCATION

---

### Bachelor of Science in Chemical Engineering

May 2018

*University of Texas at Austin, Austin, TX • GPA: 3.7*

## SKILLS

---

**Technical Skills:** Process Optimization, Safety Compliance, Quality Control, Data Analysis

**Tools & Frameworks:** SCADA Systems, PLC Programming, HMI Software, Microsoft Excel
