SUMMARY

Detail-oriented Clinical Research Coordinator with over 5 years of experience in overseeing clinical trials. Proven track record of enhancing clinical trial efficiency and ensuring compliance with regulatory standards.

EXPERIENCE

Clinical Research Coordinator

Jan 2022 - Present

Health Innovations Inc., San Diego, CA

- Managed 10+ clinical trials with a 95% adherence rate to protocols, resulting in successful data collection and analysis.
- Implemented a new electronic data capture system that reduced data entry time by 30%, saving approximately \$50,000 annually.
- Coordinated training sessions for new staff on Good Clinical Practice (GCP) guidelines, improving team compliance scores by 20%.

Clinical Research Associate

Jun 2018 - Dec 2021

MedTrials Research, Los Angeles, CA

- Supported the management of clinical trials, resulting in a 15% increase in participant recruitment through targeted outreach strategies.
- Established a comprehensive tracking system for regulatory submissions that improved submission timelines by 25%.
- Worked closely with cross-functional teams to ensure timely reporting of trial progress and outcomes.

Research Intern

Jan 2017 - May 2018

City Hospital Research Center, Los Angeles, CA

- Assisted in the preparation of study protocols and informed consent documents, contributing to a project that received IRB approval 2 months ahead of schedule.
- Conducted literature reviews and data analysis that informed key decisions in ongoing clinical trials.
- Shadowed senior coordinators to understand trial oversight processes, enhancing my practical knowledge of clinical research methodologies.

EDUCATION

Bachelor of Science in Biology

May 2018

University of California, Los Angeles, Los Angeles, CA • GPA: 3.7
