SUMMARY

Detail-oriented Database Administrator with over 5 years of experience in database design, performance tuning, and data migration. Proven track record of optimizing database systems to enhance productivity and support business operations.

EXPERIENCE

Senior Database Administrator

Jan 2022 - Present

Tech Solutions Inc., San Francisco, CA

- Improved database performance by 30% through optimized queries and indexing, resulting in annual savings of \$50,000 in server costs.
- Led the migration of a legacy database system to a cloud-based solution, reducing system downtime by 40% during the transition.
- Implemented backup and recovery strategies that enhanced data integrity and reduced restoration time by 25%.

Database Administrator

Jun 2019 - Dec 2021

Bright Innovations LLC, Oakland, CA

- Managed over 300 databases, ensuring 99.9% uptime and performance optimization across multiple platforms.
- Developed automated reporting tools using SQL, reducing report generation time by 50%.
- Collaborated with development teams to enhance database structures, leading to a 15% increase in application performance.

Junior Database Administrator

Jan 2018 - May 2019

Data Wise Corp., San Jose, CA

- Assisted in the maintenance and support of database environments, achieving a 20% reduction in support ticket resolution time.
- Executed routine audits on database security and performance, improving compliance with industry standards.
- Contributed to a data migration project that successfully transitioned 1TB of data with zero data loss.

EDUCATION

Bachelor of Science in Computer Science

May 2018

University of California, Berkeley, Berkeley, CA • GPA: 3.7

SKILLS

Technical Skills: SQL, Oracle, MySQL, Database Tuning

Tools & Frameworks: AWS, Docker, ETL Tools
