SUMMARY

Board-certified dermatologist with over 5 years of experience in clinical practice and dermatologic surgery. Proven track record of enhancing patient outcomes and delivering high-quality dermatological care through innovative treatments and patient education.

EXPERIENCE

Dermatologist

Jan 2022 - Present

Skin Health Clinic, Seattle, WA

- Improved patient satisfaction scores by 30% within one year through the implementation of a new patient feedback system.
- Performed over 1,000 dermatologic procedures, achieving a 95% success rate in skin cancer excisions.
- Developed a teledermatology program that reduced patient wait times by 40%.

Resident Dermatologist

Jul 2018 - Jun 2021

City Hospital, Seattle, WA

- Completed extensive training in medical, surgical, and cosmetic dermatology with a focus on skin cancer diagnosis and treatment.
- Assisted in research on emerging treatments for psoriasis, contributing to a publication in a peer-reviewed journal.
- Conducted over 500 patient evaluations, refining diagnostic skills and treatment planning.

Clinical Intern

May 2017 - Aug 2017

Dermatology Associates, Portland, OR

- Gained hands-on experience in assessing and managing a wide variety of skin conditions under the supervision of senior dermatologists.
- Assisted in organizing a community skin cancer screening event that successfully screened over 300 individuals.
