SUMMARY

Detail-oriented Drafting Technician with over 5 years of experience in creating precise technical drawings and models. Proficient in CAD software and dedicated to optimizing project timelines and improving design accuracy.

EXPERIENCE

Drafting Technician

Jan 2022 - Present

Precision Engineering Solutions, Austin, TX

- Developed detailed engineering drawings for 50+ projects, reducing design errors by 30%
- Collaborated with engineering teams to streamline drafting processes, cutting project turnaround time by 25%
- Utilized AutoCAD and SolidWorks to create 3D models that improved visualization for stakeholders

Junior Drafting Technician

June 2018 - Dec 2021

BuildTech Innovations, San Antonio, TX

- Assisted in drafting residential and commercial building plans that led to a 15% increase in client satisfaction
- Implemented a new revision tracking system that improved document accuracy and saved 10 hours per project
- Utilized Revit for BIM modeling, contributing to a project that won a local architecture award

Intern - Drafting Department

Jan 2017 - May 2018

Architectural Designs Inc., Houston, TX

- Supported senior drafters in creating layouts for commercial projects, improving process efficiency by 20%
- Conducted site visits to ensure adherence to design specifications and provided feedback for improvements
- Gained hands-on experience with CAD software, enhancing technical skills for future projects

EDUCATION

Bachelor of Science in Drafting and Design Technology

May 2018

University of Texas at Austin, Austin, TX • GPA: 3.7

SKILLS

Technical Skills: AutoCAD, SolidWorks, Revit, BIM Modeling

Tools & Frameworks: SketchUp, Microsoft Office Suite, Project Management Software
