SUMMARY

Detail-oriented and motivated recent graduate with a strong foundation in cloud security principles and practices. Proficient in risk assessment and mitigation strategies, with hands-on experience in cloud platforms and security tools. Eager to contribute to a dynamic team focused on enhancing cloud security frameworks.

EXPERIENCE

Cloud Security Intern

Jun 2022 - Present

Tech Innovations Inc., San Francisco, CA

- Assisted in securing cloud infrastructures, enhancing security protocols, which resulted in a 30% reduction in security vulnerabilities identified during audits.
- Implemented automated monitoring solutions using AWS CloudTrail, leading to a 25% decrease in incident response times.
- Collaborated with IT teams to develop a disaster recovery plan, ensuring data integrity and availability, thereby reducing potential downtime by 15%.

IT Support Technician

Jan 2020 - May 2022

XYZ Corp., San Jose, CA

- Provided technical support for cloud-based applications, resolving issues for over 100 users and improving user satisfaction scores by 20%.
- Conducted security audits on existing systems and suggested improvements that enhanced data security by 18%.
- Trained team members on best practices for cloud security, increasing team awareness and compliance rates by 30%.

Cybersecurity Volunteer

Aug 2019 - Dec 2019

Nonprofit Organization, Remote

- Assisted in the development of security policies for cloud-based services, which improved the organization's security posture.
- Participated in organized workshops to educate the community about cybersecurity threats and prevention strategies.

EDUCATION

Bachelor of Science in Computer Science

May 2018

University of California, Berkeley, Berkeley, CA • GPA: 3.7

SKILLS

Technical Skills: Cloud Security, Risk Assessment, Incident Response, Vulnerability Management

Tools & Frameworks: AWS, Azure Security Center, CloudTrail, Splunk
