SUMMARY

Motivated and detail-oriented Entry Level Crane Operator with strong mechanical aptitude and a focus on safety. Proven ability to operate cranes with precision and efficiency in construction settings while maintaining high safety standards.

EXPERIENCE

Crane Operator Trainee

Jun 2022 - Present

Skyline Construction, Chicago, IL

- Assisted in the safe operation of a 50-ton crane, contributing to a 20% reduction in project completion time.
- Implemented a new pre-operation checklist that improved safety compliance by 30%.
- Participated in daily safety meetings to reinforce best practices and maintain a zero-accident work environment.

Warehouse Loader

Jan 2021 - May 2022

Logistics Solutions Inc., Chicago, IL

- Operated forklifts and other heavy equipment to load and unload materials, achieving a 25% increase in loading efficiency.
- Maintained a well-organized warehouse, reducing retrieval times by 15%.
- Trained new employees on safety protocols and equipment operation.

Construction Laborer

Aug 2019 - Dec 2020

BuildRight Co., Chicago, IL

- Supported crane operations by preparing job sites and ensuring materials were readily available, which improved operational flow.
- Assisted in the construction of residential buildings, contributing to projects completed on time and under budget.
