SUMMARY

Motivated and detail-oriented Entry Level Heavy Equipment Operator with hands-on experience in operating and maintaining heavy machinery. Proven ability to enhance productivity and ensure safety compliance on construction sites.

EXPERIENCE

Heavy Equipment Operator Trainee

Jan 2023 - Present

Ace Construction Co., Atlanta, GA

- Assisted in the operation of bulldozers and excavators, contributing to a 15% increase in project completion speed.
- Conducted routine safety checks and maintenance on equipment, resulting in a 30% reduction in downtime.
- Collaborated with team members to ensure compliance with safety regulations, achieving zero safety incidents during training period.

Laborer

Jun 2021 - Dec 2022

Metro Green Landscaping, Atlanta, GA

- Operated smaller machinery such as skid steers, improving landscaping efficiency by 25%.
- Participated in site preparation and debris removal, ensuring timely project delivery.
- Gained foundational knowledge of heavy equipment safety protocols and operational best practices.

Construction Intern

May 2020 - Aug 2020

BuildRight Inc., Atlanta, GA

- Shadowed heavy equipment operators and learned operational techniques for loaders and backhoes.
- Assisted in maintaining job site organization and safety, leading to a 20% faster mobilization of equipment.
