SUMMARY

Detail-oriented and creative entry-level landscape architect with a strong academic background in environmental design and hands-on experience in landscape planning. Proficient in CAD software and sustainable design practices, seeking to contribute innovative solutions to enhance outdoor spaces.

EXPERIENCE

Landscape Design Intern

Jun 2022 - Present

Greenscape Designs, Austin, TX

- Assisted in the design and implementation of a community park project that enhanced green space by 30%, serving over 100 families.
- Collaborated with a team to develop sustainable landscape solutions, reducing water usage by 25% through drought-resistant plant selections.
- Utilized AutoCAD and SketchUp to create detailed design layouts and presentations, improving client approval rates by 40%.

Landscape Architecture Volunteer

Jan 2021 - May 2022

Urban Greening Initiative, Austin, TX

- Contributed to the design of urban green spaces that improved air quality and biodiversity in underdeveloped areas.
- Engaged with community members to gather feedback, increasing community involvement in local landscape projects by 50%.
- Conducted site assessments and assisted in drafting landscape management plans, leading to a 10% reduction in project costs.

Research Assistant

Sep 2018 - May 2020

University of Texas at Austin, Austin, TX

- Led a research project on the impact of native plants on local ecosystems, resulting in a 15% increase in local biodiversity.
- Analyzed data and presented findings at the National Landscape Architecture Conference, enhancing academic reputation.
- Developed educational materials for community workshops, increasing public awareness of sustainable practices.

EDUCATION

Bachelor of Science in Landscape Architecture

May 2022

University of Texas at Austin, Austin, TX • GPA: 3.7

SKILLS

Technical Skills: Landscape Design, Site Planning, Sustainable Practices, Plant Selection

Tools & Frameworks: AutoCAD, SketchUp, Adobe Creative Suite, GIS
