SUMMARY

Detail-oriented and analytical recent graduate with a Bachelor's degree in Industrial Engineering. Proficient in Lean Manufacturing principles and passionate about improving operational efficiency. Eager to contribute to process optimization in a dynamic manufacturing environment.

EXPERIENCE

Lean Manufacturing Intern

Jun 2022 - Aug 2022

XYZ Manufacturing Corp., Atlanta, GA

- Implemented a 5S system that improved workplace organization and reduced waste by 20%.
- Participated in Kaizen events leading to a 15% increase in production efficiency.
- Assisted in the development of value stream maps to identify bottlenecks and recommend solutions.

Industrial Engineering Assistant

Jan 2021 - May 2022

ABC Engineering Solutions, Atlanta, GA

- Conducted time studies that reduced cycle time by 10% across various production lines.
- Utilized Six Sigma methodologies to support quality improvement projects.
- Collaborated with cross-functional teams to optimize equipment layout for better workflow.

Production Associate

May 2019 - Dec 2020

DEF Manufacturing LLC, Atlanta, GA

- Achieved recognition for consistently meeting production targets and minimizing defects by 30%.
- Trained new employees on Lean practices and safety protocols.
- Monitored production processes and reported inefficiencies, contributing to a 5% reduction in operational costs.

EDUCATION

Bachelor of Science in Industrial Engineering

May 2018

Georgia Institute of Technology, Atlanta, GA • GPA: 3.7

SKILLS

Technical Skills: Lean Manufacturing, Six Sigma, Time and Motion Studies, Process Optimization

Tools & Frameworks: AutoCAD, Microsoft Excel, Minitab, Visio
