## SUMMARY

---

Detail-oriented and motivated entry-level machine operator with hands-on experience in operating CNC machines and assembly lines. Proven ability to enhance productivity and ensure quality control while adhering to safety protocols.

## EXPERIENCE

---

### Machine Operator Intern

Jan 2022 - Present

*Precision Machining Inc., Seattle, WA*

- Assisted in operating CNC machines, achieving a 15% increase in production efficiency.
- Conducted quality inspections that reduced defects by 10%, saving the company \$5,000 in rework costs.
- Collaborated with team members to optimize workflow processes and maintain a safe working environment.

### Manufacturing Associate

Jun 2020 - Dec 2021

*Tech Components LLC, Seattle, WA*

- Operated automated assembly equipment, contributing to a 20% increase in overall production throughput.
- Trained new employees on machine operations and safety protocols, leading to a 30% reduction in training time.
- Executed routine maintenance on machines, which decreased downtime by 25%.

### Production Assistant

Jan 2019 - May 2020

*Local Fabrication Shop, Seattle, WA*

- Supported daily production tasks, improving workflow efficiency by 18% through effective task management.
- Maintained accurate inventory records, preventing material shortages and saving approximately \$2,000 annually.
- Participated in safety audits that resulted in a 100% compliance record.

## EDUCATION

---

### Bachelor of Science in Mechanical Engineering

May 2018

*University of Washington, Seattle, WA • GPA: 3.7*

## SKILLS

---

**Technical Skills:** CNC Machining, Quality Control, Blueprint Reading, Troubleshooting

**Tools & Frameworks:** AutoCAD, SolidWorks, Milling Machines, Lathe Machines
