SUMMARY

Compassionate and detail-oriented nursing professional with a strong foundation in anesthesia practices and patient care. Eager to leverage clinical expertise and advanced training in an Entry Level Nurse Anesthetist position to contribute to high-quality patient outcomes.

EXPERIENCE

Registered Nurse

Jun 2018 - Present

Grady Memorial Hospital, Atlanta, GA

- Administered medications and monitored patient vital signs for 15 patients per shift, ensuring 100% compliance with safety protocols.
- Collaborated with anesthesia teams to prepare and maintain anesthesia equipment, reducing preparation time by 20%.
- Educated patients and families on anesthesia procedures and recovery, resulting in a 30% increase in patient satisfaction scores.

Nurse Intern

Jan 2018 - May 2018

Emory University Hospital, Atlanta, GA

- Assisted anesthetists in administering anesthesia to over 50 surgical patients, gaining hands-on experience in intraoperative monitoring.
- Participated in preoperative evaluations, contributing to the development of patient-centered anesthesia plans.
- Helped reduce patient wait times for procedures by streamlining preoperative checklists, achieving a 15% decrease.

Clinical Research Assistant

Sep 2016 - May 2018

Georgia State University, Atlanta, GA

- Conducted literature reviews and assisted in data collection for anesthesia-related clinical trials.
- Presented research findings at a national nursing conference, enhancing knowledge sharing within the field.
- Collaborated on a study that evaluated the effectiveness of new anesthesia techniques, contributing to improved protocols.
