SUMMARY

Dedicated and passionate recent graduate with a Bachelor of Science in Environmental Science, eager to leverage field experience and strong communication skills as an Entry Level Park Ranger. Committed to preserving natural resources and enhancing visitor experiences.

EXPERIENCE

Environmental Intern

Jun 2022 - Aug 2022

Rocky Mountain National Park, Estes Park, CO

- Assisted in the successful implementation of a park-wide waste reduction initiative, resulting in a 30% decrease in litter over the summer.
- Conducted over 50 educational programs for visitors, receiving positive feedback from 90% of participants.
- Utilized GIS technology to map out trails and monitor wildlife activity, improving visitor safety and experience.

Volunteer Park Steward

Mar 2021 - May 2022

Denver Parks and Recreation, Denver, CO

- Participated in habitat restoration projects, contributing to the revitalization of over 10 acres of local parkland.
- Collaborated with a team to organize community clean-up events, removing over 500 pounds of debris from park areas.
- Developed informational signage for native plant species, enhancing visitor knowledge and engagement.

Wildlife Rehabilitation Volunteer

Jan 2020 - Dec 2020

Wildlife Rescue Center, Littleton, CO

- Assisted in the care and rehabilitation of over 100 injured wildlife, ensuring a 75% successful release rate back into the wild.
- Engaged with the public through educational outreach, increasing volunteer sign-ups by 25%.

EDUCATION
