SUMMARY

Detail-oriented and motivated recent graduate with a Bachelor of Science in Industrial Engineering. Strong foundational knowledge in quality control principles and methodologies, complemented by hands-on experience in inspecting and improving product quality. Eager to leverage technical skills and analytical abilities in an entry-level Quality Control Inspector position.

EXPERIENCE

Quality Assurance Intern

Jun 2021 - Aug 2021

Tech Solutions Inc., Dallas, TX

- Conducted over 100 inspections, identifying defects and ensuring adherence to quality standards, resulting in a 15% reduction in product return rates.
- Collaborated with production teams to implement quality control measures that improved efficiency by 10%.
- Utilized statistical process control (SPC) tools to analyze quality data and present findings to management.

Quality Control Volunteer

Jan 2020 - May 2021

Local Manufacturing Co., Dallas, TX

- Assisted in the development of a quality inspection checklist that enhanced the inspection process and reduced inspection time by 20%.
- Participated in weekly team meetings to discuss quality improvements, contributing to a 5% increase in overall product quality ratings.
- Learned to operate various measurement tools such as calipers and micrometers for precise quality assessments.
