SUMMARY

Motivated and detail-oriented recent graduate with a strong foundation in software development and cloud architecture. Proven ability to analyze complex problems and implement effective solutions, leveraging strong technical skills and a collaborative approach to project management.

EXPERIENCE

Junior Solutions Architect

Jan 2022 - Present

Tech Innovations Inc., Atlanta, GA

- Designed and implemented a cloud-based infrastructure that reduced operational costs by 15%, saving the company \$50,000 annually.
- Collaborated with cross-functional teams to gather requirements and create functional specifications for new application features.
- Utilized AWS services such as EC2, S3, and Lambda to develop scalable solutions that improved application performance by 30%.

Software Development Intern

Jun 2021 - Dec 2021

Innovatech Solutions, Atlanta, GA

- Assisted in the development of microservices using Node.js and Express, contributing to a 20% reduction in response time.
- Participated in Agile ceremonies, enhancing project delivery speed by fostering improved communication and team collaboration.
- Conducted performance testing and debugging, leading to a 25% decrease in application errors.

IT Support Specialist

Jan 2019 - May 2021

Campus IT Services, City University

- Provided technical support to over 200 users, achieving a 95% satisfaction rate through troubleshooting and effective communication.
- Streamlined the ticketing process, reducing response times by 40% through the implementation of a new tracking system.
- Trained peers on best practices in using various software tools, enhancing overall team efficiency.

EDUCATION

Bachelor of Science in Computer Science

May 2018

Georgia State University, Atlanta, GA • GPA: 3.7

SKILLS

Technical Skills: Cloud Computing, Microservices Architecture, APIs, Software Development Lifecycle

Tools & Frameworks: AWS, Node.js, Docker, JIRA
