SUMMARY

Detail-oriented and motivated recent graduate with a strong foundation in plumbing and fire protection systems. Eager to apply technical skills and hands-on experience as an Entry Level Sprinkler Fitter to contribute to ensuring safety and compliance in residential and commercial projects.

EXPERIENCE

Plumbing Apprentice

Jan 2022 - Present

ABC Plumbing Solutions, Springfield, IL

- Assisted in the installation and maintenance of fire sprinkler systems for over 50 residential units, improving system response times by 20%.
- Performed troubleshooting and repairs on various plumbing systems, reducing downtime of services by 30%.
- Gained hands-on experience with tools such as pipe wrenches, pipe cutters, and sprinkler system components.

Intern - Fire Protection Systems

May 2021 - Dec 2021

XYZ Fire Safety Co., Springfield, IL

- Conducted site surveys for sprinkler system installations, ensuring compliance with local codes and standards.
- Collaborated with senior technicians to design and layout fire protection systems, contributing to project completion 15% faster.
- Learned to read blueprints and schematics, enhancing understanding of system design and installation processes.

Warehouse Assistant

Jun 2020 - Apr 2021

Tools & Supply Depot, Springfield, IL

- Managed inventory for plumbing and fire protection supplies, ensuring availability and reducing stock shortages by 25%.
- Assisted customers in selecting appropriate tools and materials for sprinkler fitting projects, enhancing customer satisfaction.
