SUMMARY

Dedicated and detail-oriented recent graduate with a Bachelor of Science in Surgical Technology. Skilled in surgical procedures, instrumentation, and maintaining sterile environments. Eager to contribute to surgical teams and ensure patient safety in high-pressure settings.

EXPERIENCE

Surgical Technologist Intern

May 2022 - Aug 2022

Seattle General Hospital, Seattle, WA

- Assisted in over 50 surgical procedures, maintaining a sterile field and ensuring all instruments were properly prepared, contributing to a 98% on-time surgery rate.
- Developed a checklist system for equipment that reduced setup time by 20%, enhancing operational efficiency.
- Collaborated with nursing staff to streamline patient prep processes, reducing average patient wait times by 15%.

Healthcare Volunteer

Jan 2021 - Apr 2022

Community Health Clinic, Seattle, WA

- Supported medical staff by preparing examination rooms and assisting with patient triage, improving patient flow and satisfaction rates by 10%.
- Facilitated educational workshops on personal hygiene and health practices, reaching over 100 community members.

Pharmacy Technician

Jun 2018 - Dec 2020

Local Pharmacy, Seattle, WA

- Managed inventory and assisted in the preparation of medications, achieving a 99% accuracy rate in prescription fulfillment.
- Implemented a digital tracking system for inventory that reduced waste by 25%.
