SUMMARY

Creative and detail-oriented Interior Designer with over 5 years of experience in residential and commercial design. Proven ability to translate client needs into innovative design solutions while adhering to budget and timeline constraints.

EXPERIENCE

Interior Designer

Jan 2022 - Present

Design Innovations Inc., San Francisco, CA

- Successfully increased client satisfaction scores by 25% through personalized design consultations and tailored solutions.
- Led a team of 5 designers on a \$1M commercial project, delivering the project 2 weeks ahead of schedule.
- Utilized AutoCAD and SketchUp to create detailed design proposals, resulting in a 30% reduction in revision time.

Junior Interior Designer

Jun 2018 - Dec 2021

Urban Space Design, Los Angeles, CA

- Assisted in the design and execution of over 20 residential projects with budgets ranging from \$50K to \$500K.
- Implemented sustainable design practices that reduced material costs by 15% while enhancing aesthetic appeal.
- Collaborated with architects and contractors to ensure project objectives were met on time and within budget.

Intern Interior Designer

Jan 2017 - May 2018

Creative Interiors Co., Los Angeles, CA

- Contributed to the design of a multi-family residential complex, which won the 'Best New Development' award.
- Developed mood boards and material samples that improved client understanding and engagement during presentations.
- Streamlined the design process by creating a centralized digital library, reducing research time by 40%.
