SUMMARY

Dedicated and skilled Ironworker with over 5 years of experience in steel fabrication and erection. Proven track record of completing high-quality projects safely and efficiently, while consistently meeting deadlines and budget constraints.

EXPERIENCE

Ironworker

Jan 2022 - Present

Titan Steel Fabricators, Atlanta, GA

- Successfully completed the erection of structural steel for a \$2 million commercial building, ahead of schedule by 15%.
- Implemented safety protocols that reduced on-site accidents by 30% over a 12-month period.
- Utilized advanced rigging techniques to lift and place steel beams, ensuring precision and stability.

Ironworker Apprentice

Jun 2018 - Dec 2021

Northeast Ironworks, Boston, MA

- Assisted in the installation of rebar and reinforcing steel for over 10 major construction projects.
- Contributed to a team that increased overall project efficiency by 20% through effective collaboration and technique optimization.
- Gained hands-on experience with welding and fabrication of metal structures, enhancing skill set in the field.

Construction Laborer

Mar 2016 - May 2018

BuildRight Construction, Boston, MA

- Supported various construction projects, including residential and commercial, ensuring adherence to safety and quality standards.
- Assisted in the setup and disassembly of scaffolding, contributing to project timelines and safety.
- Learned fundamental skills in metalworking and site management, preparing for transition to Ironworker role.

EDUCATION

Associate of Applied Science in Construction Technology

May 2016

Community College of Atlanta, Atlanta, GA • GPA: 3.5

SKILLS

Technical Skills: Steel Erection, Welding (MIG, TIG), Reinforcement Installation, Blueprint Reading

Tools & Frameworks: Rigging Equipment, Safety Harnesses, Hand Tools (Wrenches, Hammers), Forklifts
