SUMMARY

Detail-oriented Kotlin Developer with over 5 years of experience in mobile application development and a passion for clean, maintainable code. Proven track record of delivering high-quality software solutions that enhance user experience and increase efficiency.

EXPERIENCE

Senior Kotlin Developer

Jan 2022 - Present

Tech Innovations Inc., San Francisco, CA

- Led a team of 5 developers to successfully launch a mobile app that increased user engagement by 40%, resulting in a \$200,000 revenue boost within 6 months.
- Implemented a new CI/CD pipeline that reduced deployment time by 30%, allowing for faster feature releases.
- Developed and optimized RESTful APIs used by over 10,000 daily active users, improving response times by 25%.

Kotlin Developer

Jun 2019 - Dec 2021

Creative Apps Co., Los Angeles, CA

- Designed and developed a multi-platform Kotlin application that won the 'Best App' award at the Annual Tech Expo.
- Collaborated with UX/UI designers to create user-friendly interfaces that increased customer satisfaction ratings by 15%.
- Enhanced application performance by refactoring legacy code, resulting in a 50% reduction in crashes.

Junior Kotlin Developer

Aug 2018 - May 2019

StartUp Hub, Austin, TX

- Assisted in the development of a Kotlin-based mobile app, contributing to features that attracted over 5,000 downloads in the first month.
- Participated in daily stand-ups and sprint reviews within an Agile framework, fostering effective team collaboration.
- Resolved technical issues and bugs, improving app reliability by 20%.

EDUCATION

Bachelor of Science in Computer Science

May 2018

University of California, Berkeley, Berkeley, CA • GPA: 3.7
