SUMMARY

Dynamic and detail-oriented Landscape Architect with over 5 years of experience in sustainable design and project management. Proven track record of enhancing outdoor spaces with innovative designs while improving environmental sustainability and client satisfaction.

EXPERIENCE

Landscape Architect

Jan 2022 - Present

GreenScape Designs, Seattle, WA

- Led the design and execution of a \$500,000 park renovation project, resulting in a 30% increase in visitor satisfaction scores.
- Implemented sustainable landscaping practices that reduced water consumption by 40% across multiple client projects.
- Collaborated with multidisciplinary teams to develop and present design proposals, improving project approval rates by 25%.

Junior Landscape Architect

Jun 2018 - Dec 2021

Urban Greenworks, Portland, OR

- Assisted in the design of a 5-acre urban park, which received a state award for excellence in public space design.
- Utilized AutoCAD and SketchUp for creating detailed landscape designs and 3D models, enhancing visualization for clients.
- Conducted site analysis and environmental assessments to inform sustainable landscaping choices, leading to a 20% cost savings on materials.

Intern Landscape Designer

May 2017 - May 2018

EcoLandscapes Inc., San Francisco, CA

- Supported the design team in developing landscape plans for residential and commercial properties.
- Participated in client meetings and presentations, contributing to a 15% increase in client engagement.
- Gained hands-on experience in horticulture and plant selection to enhance design aesthetics and biodiversity.
