SUMMARY

Dedicated Lineman with over 5 years of experience in high-voltage power line installation and maintenance. Proven ability to enhance operational efficiency and ensure safety compliance while working in challenging conditions.

EXPERIENCE

Journeyman Lineman

Jan 2022 - Present

Texas Electric Company, Houston, TX

- Successfully completed the installation of 150 miles of overhead power lines, improving service reliability by 30%.
- Reduced outage response time by 20% through the implementation of new troubleshooting protocols.
- Conducted safety training sessions, resulting in a 40% decrease in workplace incidents.

Lineman Apprentice

Jun 2019 - Dec 2021

Solar Power Solutions, San Antonio, TX

- Assisted in the installation of solar panel systems for residential and commercial clients, contributing to a revenue increase of \$250,000.
- Gained hands-on experience with wiring, grounding, and circuit testing, ensuring compliance with National Electric Code.
- Participated in the maintenance of transmission lines, reducing downtime by 15%.

Groundman

Mar 2018 - May 2019

City Utilities, Austin, TX

- Supported linemen in the installation and maintenance of electrical infrastructure, facilitating a project completion rate of 95%.
- Operated heavy machinery safely and efficiently, contributing to zero accidents on the job site.
- Conducted routine inspections of equipment, identifying issues that saved the company approximately \$50,000 in potential repairs.

EDUCATION

Associate of Applied Science in Electrical Technology

May 2017

Central Texas College, Killeen, TX • GPA: 3.5

SKILLS

Technical Skills: High-Voltage Line Installation, Safety Compliance, Troubleshooting, Cable Splicing

Tools & Frameworks: Bucket Truck, Cable Pulling Equipment, Personal Protective Equipment (PPE)
