## SUMMARY

---

Detail-oriented Medical Technologist with over 5 years of experience in clinical laboratory settings. Proficient in performing complex laboratory tests, ensuring quality control, and optimizing workflows to improve efficiency and accuracy.

## EXPERIENCE

---

### Senior Medical Technologist

Jan 2022 - Present

*Healthy Life Labs, San Diego, CA*

- Increased laboratory throughput by 30% by implementing new automation technologies.
- Reduced testing turnaround times by 15% through process optimization and staff training.
- Performed and validated over 10,000 tests monthly across various departments including hematology and chemistry.

### Medical Technologist

Jun 2018 - Dec 2021

*Precision Diagnostics, Los Angeles, CA*

- Achieved a 98% accuracy rate in laboratory results, leading to improved patient outcomes.
- Participated in a project that reduced reagent waste by 20%, saving the laboratory \$15,000 annually.
- Trained and mentored new staff on laboratory protocols and safety standards.

### Laboratory Technician

May 2017 - May 2018

*General Hospital, Los Angeles, CA*

- Supported laboratory operations through efficient sample processing and data entry.
- Contributed to a 25% reduction in sample processing times by streamlining workflows.
- Assisted in maintaining laboratory accreditation by adhering to strict quality control standards.

## EDUCATION

---

### Bachelor of Science in Medical Technology

May 2018

*California State University, San Diego, CA • GPA: 3.7*

## SKILLS

---

**Technical Skills:** Hematology, Clinical Chemistry, Microbiology, Immunoassay

**Tools & Frameworks:** Sysmex Analyzer, Abbott ARCHITECT, Roche Cobas, LIS (Laboratory Information System)
