SUMMARY

Dedicated and detail-oriented Air Traffic Controller with over 5 years of experience managing high-volume air traffic operations. Proven ability to enhance safety and efficiency through effective communication and advanced technology utilization.

EXPERIENCE

Air Traffic Controller

Jan 2022 - Present

Hartsfield-Jackson Atlanta International Airport, Atlanta, GA

- Successfully coordinated an average of 150 aircraft movements per hour, resulting in a 15% reduction in delays.
- Implemented new traffic management protocols that improved on-time departures by 30%, contributing to operational excellence.
- Utilized radar and communication tools to ensure safety and efficiency in air traffic patterns.

Air Traffic Control Specialist

Jun 2018 - Dec 2021

Miami International Airport, Miami, FL

- Facilitated safe aircraft takeoffs and landings for over 300 flights daily, achieving a 98% success rate in operational safety.
- Developed training materials for new recruits, enhancing onboarding efficiency by 25%.
- Collaborated with meteorological teams to adjust flight paths, minimizing weather-related disruptions by 20%.

Air Traffic Control Trainee

Jan 2016 - May 2018

Orlando International Airport, Orlando, FL

- Acquired fundamental air traffic control skills while supporting senior controllers in managing flight operations.
- Assisted in data analysis to identify traffic trends, leading to a 10% improvement in resource allocation.
- Engaged in simulation-based training to refine decision-making abilities under pressure.

EDUCATION

Bachelor of Science in Air Traffic Management

May 2018

Embry-Riddle Aeronautical University, Daytona Beach, FL • GPA: 3.7

SKILLS

Technical Skills: Air Traffic Control Procedures, Radar Operations, Flight Management Systems, Conflict Resolution

Tools & Frameworks: STARS (Standard Terminal Automation Replacement System), TRACON (Terminal Radar Approach Control), FAA Regulations
