SUMMARY

Detail-oriented Mid Level Architect with over 5 years of experience in residential and commercial design. Proven ability to manage multiple projects simultaneously while ensuring compliance with building codes and client specifications.

EXPERIENCE

Architect

Jan 2022 - Present

Urban Design Associates, Austin, TX

- Led a team in the design and execution of a \$3 million mixed-use development, completing the project 15% under budget.
- Streamlined the design process, reducing project turnaround time by 25% through the implementation of BIM technologies.
- Collaborated with engineers and stakeholders to ensure adherence to local zoning regulations, achieving all approvals ahead of schedule.

Junior Architect

Jun 2018 - Dec 2021

Green Space Architects, Dallas, TX

- Assisted in the design and management of a sustainable park project, contributing to a 30% reduction in resource usage during construction.
- Developed detailed architectural drawings and specifications, improving document accuracy by 20%.
- Participated in site assessments and feasibility studies, enhancing project planning efficiency.

Intern Architect

May 2016 - May 2018

Visionary Designs, Dallas, TX

- Supported the design team in multiple residential projects, with a focus on eco-friendly building materials.
- Conducted research on building codes and regulations, improving project compliance by 15%.
- Created 3D models and renderings that increased client engagement and project approval rates.
