SUMMARY

Detail-oriented City Planner with over 5 years of experience in urban development and sustainable planning. Proven track record of delivering high-impact projects that enhance community engagement and environmental stewardship.

EXPERIENCE

City Planner II

Jan 2022 - Present

City of Seattle Department of Planning and Development, Seattle, WA

- Led the comprehensive planning process for a \$5 million urban revitalization project, resulting in a 25% increase in community green space.
- Implemented a new GIS-based mapping system that improved project tracking efficiency by 30%.
- Facilitated public engagement workshops that increased community participation rates by 40%.

Assistant City Planner

Jun 2018 - Dec 2021

City of Portland Bureau of Planning and Sustainability, Portland, OR

- Assisted in the development of the city's zoning code overhaul, which streamlined processes and reduced application review times by 20%.
- Coordinated with local stakeholders to develop transit-oriented development plans, increasing access to public transport by 15%.
- Utilized AutoCAD and SketchUp to create visual presentations for planning proposals, enhancing stakeholder understanding and support.

Urban Planning Intern

Jan 2017 - May 2018

Urban Design Associates, New York, NY

- Conducted site analysis and market research for various urban projects, contributing to feasibility studies that informed project direction.
- Supported senior planners in drafting comprehensive plans that included sustainability initiatives, promoting a 10% reduction in carbon footprint.
- Participated in community forums to gather feedback and input on planning initiatives, enhancing public relations and community trust.
