SUMMARY

Dedicated and experienced Dairy Farm Worker with over 5 years of hands-on experience in dairy operations, herd management, and equipment maintenance. Proven ability to enhance productivity and ensure animal welfare through effective practices and innovative solutions.

EXPERIENCE

Dairy Farm Supervisor

Jan 2022 - Present

Green Pastures Dairy, Springfield, IL

- Increased milk production by 15% through the implementation of a new feeding regimen and herd management practices.
- Reduced equipment downtime by 20% by initiating a preventive maintenance schedule and training team members.
- Managed daily operations for a herd of 250 cows, ensuring adherence to industry standards for animal health and welfare.

Dairy Farm Technician

Jun 2018 - Dec 2021

Sunny Acres Dairy, Decatur, IL

- Assisted in the successful transition to automated milking systems, resulting in a 30% increase in milking efficiency.
- Conducted regular health assessments and vaccinations, improving herd health metrics and reducing veterinary costs by \$5,000 annually.
- Trained new staff on best practices in milking procedures and animal care.

Dairy Farm Assistant

May 2016 - May 2018

Happy Holsteins Farm, Champaign, IL

- Supported milking operations for a 200-cow herd, ensuring proper sanitation and adherence to safety protocols.
- Implemented a record-keeping system that improved tracking of feeding schedules and health records, increasing operational efficiency by 25%.
- Contributed to the successful implementation of a rotational grazing system that improved pasture health and reduced feed costs.
