SUMMARY

Detail-oriented Drafting Technician with over 5 years of experience in creating accurate and detailed technical drawings. Proficient in CAD software and committed to delivering high-quality designs that enhance project efficiency and accuracy.

EXPERIENCE

Mid Level Drafting Technician

Jan 2022 - Present

Innovative Engineering Solutions, San Diego, CA

- Improved drafting turnaround time by 30% through the implementation of streamlined workflows and automation tools.
- Collaborated with engineering teams to develop over 50 detailed drawings for complex mechanical systems, ensuring compliance with industry standards.
- Utilized AutoCAD and SolidWorks to create 3D models, enhancing visualization for clients and reducing design errors by 15%.

Drafting Technician

Jun 2018 - Dec 2021

Precision Drafting LLC, Los Angeles, CA

- Produced detailed construction drawings for residential and commercial projects, contributing to projects worth over \$5 million.
- Reduced material costs by 20% by optimizing designs based on sustainable practices and client specifications.
- Developed and maintained CAD libraries, improving efficiency in producing drawings by 25%.

Junior Drafting Technician

May 2016 - May 2018

Architectural Designs Inc., Los Angeles, CA

- Assisted in the preparation of architectural plans for over 30 projects, fostering a strong foundation in design principles.
- Achieved a 95% satisfaction rate from project managers through effective communication and timely delivery of drafts.
- Learned and applied various software tools including Revit and SketchUp, enhancing project design capabilities.

EDUCATION

Bachelor of Science in Drafting and Design Technology

May 2018

California State University, Los Angeles, CA • GPA: 3.7

SKILLS

Technical Skills: AutoCAD, SolidWorks, Revit, 3D Modeling

Tools & Frameworks: SketchUp, Microsoft Office Suite, Project Management Software
