SUMMARY

Detail-oriented Mid Level Engineering Technician with over 5 years of experience in design and fabrication, specializing in mechanical systems and CAD software. Proven track record of improving efficiency and reducing costs through innovative engineering solutions.

EXPERIENCE

Engineering Technician

Jan 2022 - Present

Tech Solutions Inc., San Francisco, CA

- Reduced production errors by 30% through implementation of quality control processes.
- Collaborated on a team project that saved the company \$50,000 annually by redesigning an assembly line layout.
- Utilized SolidWorks and AutoCAD for developing engineering drawings and simulations.

Mechanical Technician

Jun 2018 - Dec 2021

Innovatech Corp., San Jose, CA

- Increased assembly efficiency by 25% by streamlining workflow and training employees.
- Maintained and calibrated machinery, reducing downtime by 15% through proactive maintenance.
- Assisted in the development of new product prototypes using 3D printing technologies.

Junior Engineering Technician

Aug 2016 - May 2018

GreenTech Solutions, Berkeley, CA

- Supported engineering team in troubleshooting equipment, leading to a 20% decrease in repair time.
- Assisted with project documentation and reporting, enhancing project tracking accuracy.
- Gained proficiency in using LabVIEW for data acquisition and process control.

EDUCATION

Bachelor of Science in Mechanical Engineering

May 2018

University of California, Berkeley, Berkeley, CA • GPA: 3.7

SKILLS

Technical Skills: SolidWorks, AutoCAD, 3D Printing, Quality Control

Tools & Frameworks: LabVIEW, MATLAB, CNC Machining
