SUMMARY

Dedicated and skilled Mid Level Farm Equipment Operator with over 5 years of experience in operating and maintaining a variety of agricultural machinery. Proven track record of increasing operational efficiency and optimizing equipment performance.

EXPERIENCE

Farm Equipment Operator

Jan 2022 - Present

Green Fields Agriculture, Springfield, IL

- Increased crop yield by 20% through efficient operation of planting and harvesting machinery.
- Reduced equipment downtime by 15% by implementing a proactive maintenance schedule.
- Trained and supervised a team of 3 junior operators in the use of precision farming technologies.

Farm Equipment Technician

Mar 2019 - Dec 2021

Harvest Solutions Inc., Peoria, IL

- Executed routine preventive maintenance on over 50 pieces of farm equipment, improving reliability.
- Developed and implemented a tracking system for equipment servicing which saved the company \$10,000 annually.
- Worked closely with agronomists to optimize equipment settings based on soil and crop conditions.

Junior Farm Equipment Operator

Jun 2017 - Feb 2019

Horizon Farms, Champaign, IL

- Assisted in the operation of tractors and combines during planting and harvesting seasons, increasing team productivity.
- Monitored equipment performance and reported discrepancies, contributing to a 10% reduction in operational costs.
- Maintained a clean and organized workspace, ensuring safety compliance and operational efficiency.
