SUMMARY

Detail-oriented Financial Examiner with over 5 years of experience in evaluating financial records and ensuring compliance with regulatory standards. Proven track record of identifying discrepancies and implementing solutions that improve financial accuracy and efficiency.

EXPERIENCE

Financial Examiner

Jan 2022 - Present

ABC Financial Services, Los Angeles, CA

- Conducted over 30 comprehensive audits, resulting in a 25% reduction in financial discrepancies year-over-year.
- Developed a new compliance checklist that improved audit preparation time by 15%.
- Utilized advanced Excel functions and financial software (QuickBooks, SAP) to analyze and report financial data.

Junior Financial Examiner

Jun 2018 - Dec 2021

XYZ Compliance Group, San Francisco, CA

- Assisted in the review of financial statements for over 50 clients, ensuring compliance with GAAP and regulatory standards.
- Identified and rectified financial inconsistencies that saved the company approximately \$100,000 annually.
- Enhanced reporting accuracy by implementing a new data entry system, reducing errors by 30%.

Financial Analyst Intern

May 2017 - Aug 2017

Global Investment Partners, New York, NY

- Supported the financial team in preparing detailed financial reports that contributed to strategic business decisions.
- Gained hands-on experience with data analysis tools, including Tableau and Power BI, for visualizing financial performance.
