SUMMARY

Mid-Level Landscape Architect with over 5 years of experience in landscape design and project management. Proficient in sustainable design practices and skilled in coordinating with multidisciplinary teams to deliver impactful outdoor spaces. Committed to enhancing community engagement through innovative landscape solutions.

EXPERIENCE

Landscape Architect

Jan 2022 - Present

GreenScape Designs, Austin, TX

- Led landscape design for a 10-acre urban park, resulting in a 25% increase in local foot traffic and community events.
- Developed sustainable irrigation systems that reduced water consumption by 30%, saving approximately \$15,000 annually.
- Collaborated with city planners and architects to create comprehensive design plans for public spaces, ensuring adherence to environmental regulations.

Junior Landscape Architect

Jun 2018 - Dec 2021

NatureScape Solutions, San Antonio, TX

- Assisted in the design of a commercial landscape project that increased property value by 15% post-completion.
- Utilized AutoCAD and SketchUp to create detailed design renderings, improving communication with clients and stakeholders.
- Implemented a project tracking system that improved efficiency by 20% and reduced project completion time.

Landscape Design Intern

May 2017 - May 2018

EcoLand Design Group, Dallas, TX

- Contributed to the design and implementation of residential landscapes that enhanced aesthetic appeal and functionality.
- Conducted site analysis and prepared reports that informed design decisions, positively impacting client satisfaction ratings by 10%.
