SUMMARY

Dedicated Mid Level Lineman with over 5 years of experience in utility construction and maintenance. Proven track record of ensuring safety and efficiency in high-voltage environments while delivering projects on time and within budget.

EXPERIENCE

Lineman

Jan 2022 - Present

Pacific Power Services, Houston, TX

- Improved crew productivity by 20% through implementation of efficient work practices.
- Successfully completed installation of overhead and underground power lines for over 500 residential units, ensuring 100% compliance with safety regulations.
- Utilized fiber optic technology for communication systems, enhancing operational efficiency by reducing downtime by 15%.

Apprentice Lineman

May 2018 - Dec 2021

Southern Electric Company, Austin, TX

- Assisted in the maintenance of 200 miles of distribution lines, contributing to a 98% reliability rate.
- Conducted safety training sessions resulting in a 40% decrease in safety incidents.
- Developed skills in troubleshooting and repairing electrical systems, leading to an average reduction of repair times by 30%.

Line Worker

Jun 2016 - Apr 2018

Metro Utilities, San Antonio, TX

- Participated in emergency response teams, restoring power to 1,000+ customers after storm events.
- Installed and maintained street lighting systems, reducing maintenance costs by 25% through effective troubleshooting.
- Collaborated with engineers to implement improvements that increased system efficiency by 10%.

EDUCATION

Bachelor of Science in Electrical Engineering

May 2018

University of Texas at Austin, Austin, TX • GPA: 3.7

SKILLS

Technical Skills: High-Voltage Systems, Troubleshooting, Safety Protocols, Project Management

Tools & Frameworks: Bucket Trucks, Wire Pullers, Safety Harnesses, Power Line Tools
