SUMMARY

Detail-oriented Medical Laboratory Technician with over 5 years of experience in clinical lab settings. Proven ability to perform complex laboratory tests and maintain high standards of accuracy and compliance, contributing to improved patient outcomes.

EXPERIENCE

Medical Laboratory Technician

Jan 2022 - Present

Health First Laboratories, San Diego, CA

- Improved testing efficiency by 25% through the implementation of a new sample tracking system.
- Reduced turnaround time for critical lab results by 15%, enhancing patient care and reporting accuracy.
- Performed over 1,000 diagnostic tests monthly, ensuring adherence to quality control standards.

Laboratory Technician

Jun 2018 - Dec 2021

Metro Health Center, San Diego, CA

- Assisted in the development of a new protocol for blood sample processing, leading to a 20% reduction in sample rejections.
- Trained and mentored junior technicians, enhancing team performance and efficiency.
- Utilized advanced laboratory equipment including the Sysmex XN-2000 and Roche Cobas 8000 for testing procedures.

Clinical Laboratory Intern

Jan 2017 - May 2018

City Hospital, Los Angeles, CA

- Conducted routine lab tests under supervision, gaining hands-on experience in hematology and microbiology.
- Maintained laboratory inventory, ensuring timely procurement of necessary supplies, which saved the lab approximately \$5,000 annually.
- Participated in quality assurance activities to maintain laboratory accreditation status.

EDUCATION

Bachelor of Science in Clinical Laboratory Science

May 2018

University of California, San Diego, La Jolla, CA • GPA: 3.7

SKILLS

Technical Skills: Hematology, Microbiology, Chemistry Analysis, Quality Control

Tools & Frameworks: Sysmex XN-2000, Roche Cobas 8000, LIS (Laboratory Information System)
