SUMMARY

Dedicated and detail-oriented Respiratory Therapist with over 5 years of experience in critical care and pulmonary rehabilitation. Proven track record of enhancing patient outcomes through effective treatment plans and patient education.

EXPERIENCE

Respiratory Therapist

Jan 2022 - Present

St. Joseph's Hospital, Phoenix, AZ

- Implemented a new ventilator weaning protocol that reduced patient extubation time by 30%, improving patient throughput.
- Trained 10+ new staff members on advanced respiratory techniques and equipment usage, enhancing team efficiency.
- Utilized data analytics to track patient progress, resulting in a 15% improvement in patient satisfaction scores.

Registered Respiratory Therapist

May 2019 - Dec 2021

Desert View Medical Center, Tucson, AZ

- Conducted comprehensive assessments for over 150 patients monthly, leading to tailored respiratory care plans.
- Collaborated with multidisciplinary teams to develop protocols that decreased hospital readmission rates by 20%.
- Led educational workshops for patients and families, improving understanding of respiratory conditions and management.

Respiratory Therapy Intern

Jan 2018 - Apr 2019

City Hospital, Phoenix, AZ

- Assisted in managing ventilator settings for ICU patients, gaining hands-on experience with a variety of respiratory devices.
- Participated in research project focused on COPD patient outcomes, contributing to a published study on treatment efficacy.
- Shadowed senior therapists during procedures, enhancing clinical skills and understanding of respiratory care protocols.
