SUMMARY

Detail-oriented Mid Level Sheet Metal Worker with over 5 years of experience in fabrication and installation. Proven ability to manage projects efficiently, ensuring quality standards and safety compliance, while achieving significant cost savings.

EXPERIENCE

Sheet Metal Worker

Jan 2022 - Present

ABC Fabrication Inc., Houston, TX

- Increased production efficiency by 20% through the implementation of lean manufacturing techniques.
- Reduced material waste by 15% by optimizing cutting processes and recycling scrap metal.
- Led a team of 5 in the installation of HVAC systems, ensuring compliance with local building codes.

Sheet Metal Mechanic

Jun 2018 - Dec 2021

XYZ Industries, Dallas, TX

- Successfully completed over 100 custom projects, enhancing client satisfaction and securing repeat business.
- Developed a training program for new employees, which improved onboarding time by 30%.
- Utilized CAD software to create detailed layouts that improved installation accuracy by 25%.

Apprentice Sheet Metal Worker

Aug 2015 - May 2018

MetalWorks LLC, Austin, TX

- Assisted in the fabrication of metal components, gaining hands-on experience in welding and assembly.
- Maintained a clean and safe work environment, reducing workplace accidents by 40%.
- Learned to read and interpret blueprints, significantly improving project turnaround times.

EDUCATION

Bachelor of Science in Mechanical Engineering

May 2018

Texas A&M University, College Station, TX • GPA: 3.7

SKILLS

Technical Skills: Sheet Metal Fabrication, Welding (MIG/TIG), HVAC Systems Installation, Blueprint Reading

Tools & Frameworks: CAD Software, Punch Press, Angle Grinder, Shear Machine
