SUMMARY

Detail-oriented Mid Level Solar Installer with over 5 years of experience in residential and commercial solar panel installations. Proven track record of improving installation efficiency and reducing costs while ensuring compliance with safety regulations.

EXPERIENCE

Solar Installer

Jan 2022 - Present

Sunshine Energy Solutions, San Diego, CA

- Increased installation efficiency by 30% through optimized workflow processes, leading to a savings of \$50,000 in labor costs annually.
- Successfully completed over 200 residential solar projects with a customer satisfaction rating of 95%.
- Conducted training sessions for new hires on best practices for solar panel installation and safety protocols.

Solar Technician

June 2018 - Dec 2021

Bright Future Solar, Los Angeles, CA

- Assisted in the installation of solar energy systems for over 150 commercial properties, achieving a 20% reduction in installation time.
- Implemented quality control measures that reduced system failures by 15%, enhancing overall project success.
- Collaborated with electrical engineers to design and install custom solar solutions tailored to specific client needs.

Apprentice Solar Installer

May 2016 - May 2018

Eco Solar Inc., San Jose, CA

- Completed over 100 installations under supervision, gaining hands-on experience in all aspects of solar panel systems.
- Learned to troubleshoot and repair solar energy systems, reducing service call times by 25%.
- Assisted in maintaining compliance with local and national safety standards.

EDUCATION

Bachelor of Science in Renewable Energy Technology

May 2018

California State University, San Diego, CA • GPA: 3.7

SKILLS

Technical Skills: Solar Panel Installation, System Troubleshooting, Electrical Wiring, Site Assessment

Tools & Frameworks: Solar Design Software, Multimeter, Power Tools, Safety Equipment
