SUMMARY

Dedicated and detail-oriented Surgical Technologist with over 5 years of experience in diverse surgical environments. Proven track record of improving surgical efficiency and patient outcomes through meticulous preparation and execution of surgical procedures.

EXPERIENCE

Surgical Technologist II

Jan 2022 - Present

Atlanta Medical Center, Atlanta, GA

- Assisted in over 400 surgical procedures, contributing to a 20% reduction in average surgery time through effective instrument management.
- Implemented a new sterilization protocol that decreased infection rates by 15% over six months.
- Trained and mentored 5 junior surgical technologists, enhancing team performance and cohesion.

Surgical Technologist

Jun 2018 - Dec 2021

Northside Hospital, Atlanta, GA

- Participated in the setup, maintenance, and breakdown of the operating room for various surgical procedures, ensuring compliance with safety standards.
- Streamlined supply ordering processes, reducing costs by approximately \$10,000 annually.
- Collaborated with surgeons and nurses to enhance patient care, leading to a 30% increase in patient satisfaction scores.

Surgical Technologist - Intern

Jan 2017 - May 2018

Grady Memorial Hospital, Atlanta, GA

- Assisted in over 100 surgical procedures as part of an internship program, honing skills in instrument handling and surgical preparation.
- Received commendation from surgical staff for exceptional attention to detail and proactive communication.
- Contributed to a project that improved the turnover time between surgeries by 15%.
