SUMMARY

Innovative Mobile Developer with over 5 years of experience in designing and implementing user-centric mobile applications. Proficient in both iOS and Android development with a strong focus on performance optimization and user experience.

EXPERIENCE

Mobile Developer

Jan 2022 - Present

Tech Innovators Inc., San Francisco, CA

- Led a team to develop a cross-platform mobile application that increased user engagement by 40% within the first 6 months.
- Optimized application performance, reducing load times by 30% and enhancing overall user satisfaction scores.
- Implemented CI/CD pipelines using GitHub Actions, decreasing deployment times by 50%.

iOS Developer

Jun 2019 - Dec 2021

Creative Solutions Co., Los Angeles, CA

- Developed and launched a mobile app that generated \$200K in revenue within the first year.
- Collaborated with UX/UI designers to revamp the application interface, resulting in a 25% increase in user retention.
- Utilized Swift and Objective-C to create high-performance applications with a focus on clean and maintainable code.

Android Developer

Aug 2018 - May 2019

NextGen Technologies, Seattle, WA

- Designed and developed an Android application that achieved 100,000 downloads in the first month.
- Integrated RESTful APIs to enhance app functionality and ensure a seamless user experience.
- Conducted A/B testing that improved feature adoption rates by 20%.

EDUCATION

Bachelor of Science in Computer Science

May 2018

University of California, Berkeley, Berkeley, CA • GPA: 3.7
