SUMMARY

Compassionate and detail-oriented Nurse Anesthetist with over 5 years of experience in administering anesthesia and monitoring patient conditions. Proven ability to work collaboratively with surgical teams to ensure optimal patient outcomes in fast-paced environments.

EXPERIENCE

Certified Registered Nurse Anesthetist

Jan 2022 - Present

Northwest Surgical Center, Seattle, WA

- Administered anesthesia to over 400 surgical patients annually with a 99% satisfaction rate based on patient feedback.
- Collaborated with a team of 15 surgeons and nurses to reduce surgery start times by 20%, improving overall patient flow.
- Utilized advanced monitoring equipment, including the Datex-Ohmeda anesthesia machine, to ensure patient safety and comfort.

Nurse Anesthetist

Jun 2018 - Dec 2021

City Hospital, Seattle, WA

- Successfully managed anesthesia care for a diverse patient population across various surgical specialties, resulting in a 30% decrease in post-operative complications.
- Implemented a new pre-anesthesia assessment protocol that improved patient preparation efficiency by 25%.
- Participated in continuous education and training programs to stay updated with the latest anesthesia techniques and technologies.

Registered Nurse - Operating Room

May 2015 - May 2018

Urban Medical Center, Seattle, WA

- Assisted in over 200 surgeries as part of the operating room team, ensuring sterile techniques and patient safety.
- Trained new nursing staff on operating room protocols, enhancing team performance and compliance with safety standards.
- Utilized electronic medical records (EMR) systems to maintain accurate patient documentation and streamline communication.
