SUMMARY

Dedicated Park Ranger with over 5 years of experience in wildlife conservation, land management, and public engagement. Proven track record of enhancing park safety and visitor satisfaction through effective program implementation and community outreach.

EXPERIENCE

Park Ranger

Jan 2022 - Present

Rocky Mountain National Park, Estes Park, CO

- Implemented a new visitor education program that increased engagement by 40% within the first year.
- Conducted wildlife surveys that led to a 15% increase in protected species populations.
- Managed trail maintenance projects, resulting in a 25% reduction in visitor injuries.

Wildlife Technician

May 2019 - Dec 2021

City of Boulder Open Space and Mountain Parks, Boulder, CO

- Assisted in habitat restoration projects that improved biodiversity across 200 acres of local parkland.
- Developed monitoring protocols for avian populations, increasing data collection efficiency by 30%.
- Facilitated educational workshops for over 300 community members on local ecology.

Intern Park Ranger

Jun 2018 - Aug 2018

Yosemite National Park, Yosemite, CA

- Supported park operations during peak season, assisting over 1,000 visitors daily.
- Engaged with diverse visitor groups to promote park safety and conservation practices.
- Contributed to the development of a park biodiversity report, enhancing future conservation efforts.
