SUMMARY

Compassionate and detail-oriented Physician Assistant with over 5 years of clinical experience in diverse healthcare settings. Proven ability to improve patient outcomes through effective communication and evidence-based practices.

EXPERIENCE

Physician Assistant

Jan 2022 - Present

HealthFirst Medical Group, San Francisco, CA

- Increased patient satisfaction scores by 30% through enhanced patient education and follow-up care initiatives.
- Collaborated with a multidisciplinary team to develop treatment plans for chronic disease management, resulting in a 20% reduction in hospital readmissions.
- Utilized electronic health record (EHR) systems for efficient patient documentation and data analysis.

Physician Assistant

Jun 2018 - Dec 2021

City Health Clinic, Los Angeles, CA

- Administered vaccines and performed physical examinations for over 1,000 patients annually, contributing to a 15% increase in community immunization rates.
- Implemented a telemedicine program that improved access to care for patients, reducing appointment wait times by 40%.
- Conducted patient education workshops on preventive care, leading to a 25% increase in patient engagement.

Clinical Intern

Jan 2017 - May 2018

Downtown Medical Center, Los Angeles, CA

- Assisted in the management of acute and chronic illnesses, supporting a busy primary care practice with an average of 25 patients per day.
- Participated in research projects that resulted in publications on best practices for chronic disease management.
- Gained hands-on experience in patient assessment, diagnosis, and treatment planning.
