SUMMARY

Dedicated Pile Driver Operator with over 5 years of experience in heavy equipment operation, specializing in foundation and construction projects. Proven track record of enhancing project efficiency and safety through skilled operation and maintenance of pile driving rigs.

EXPERIENCE

Senior Pile Driver Operator

Jan 2021 - Present

Rock Solid Foundations, Denver, CO

- Increased project efficiency by 30% by implementing a new rig setup procedure, reducing setup time by 2 hours per project.
- Successfully drove over 200 piles for commercial and residential projects, achieving a 98% success rate on structural integrity assessments.
- Trained and mentored 5 junior operators on safety protocols and best practices, resulting in a 50% reduction in on-site incidents.

Pile Driver Operator

June 2018 - Dec 2020

Heavy Duty Construction Inc., Aurora, CO

- Operated multiple types of pile driving equipment, including hydraulic and diesel hammers, contributing to the successful completion of over 50 major projects.
- Reduced operational costs by 15% through efficient maintenance schedules and proactive equipment care.
- Collaborated with engineers and project managers to develop site-specific driving plans, enhancing project timelines by an average of 10 days.

Heavy Equipment Operator

Mar 2015 - May 2018

Mountain View Excavation, Boulder, CO

- Gained extensive experience in operating various heavy machinery, including excavators and loaders, which supported pile driving activities.
- Achieved a 100% compliance rate with safety regulations through consistent training and diligent adherence to safety practices.
- Assisted in project planning and execution, ensuring timely completion of foundation work within budget.

EDUCATION

Associate of Applied Science in Heavy Equipment Operations

May 2015

Colorado Technical University, Colorado Springs, CO • GPA: 3.6

SKILLS

Technical Skills: Pile Driving Operations, Rig Maintenance, Blueprint Interpretation, Safety Protocols

Tools & Frameworks: Hydraulic Pile Drivers, Diesel Hammers, GPS Site Surveying Equipment
