SUMMARY

Dedicated pipefitter with over 7 years of experience in installing and repairing piping systems in commercial and industrial settings. Proven track record of improving system efficiency and reducing project costs through effective problem-solving and technical expertise.

EXPERIENCE

Pipefitter

Jan 2022 - Present

ABC Mechanical Services, Houston, TX

- Successfully led a team to install a new piping system that reduced energy costs by 15%, saving the client approximately \$20,000 annually.
- Implemented a preventive maintenance program that decreased system downtime by 30%, resulting in a 25% increase in operational efficiency.
- Skilled in reading blueprints and schematics for system layout and design, ensuring accurate installation and compliance with safety regulations.

Journeyman Pipefitter

Jun 2018 - Dec 2021

XYZ Construction Ltd., Dallas, TX

- Contributed to the successful completion of a \$1.5 million industrial project, meeting all deadlines and adhering to budget constraints.
- Developed and maintained strong relationships with clients, resulting in repeat business and a 20% increase in project referrals.
- Trained and mentored junior pipefitters, enhancing team productivity and technical skills.

Apprentice Pipefitter

Mar 2015 - May 2018

LMN Plumbing Solutions, Austin, TX

- Assisted in the installation and repair of piping systems in residential and commercial buildings, contributing to a 10% increase in service call satisfaction ratings.
- Gained hands-on experience with various materials including PVC, copper, and stainless steel.
- Learned to operate and maintain various pipefitting tools and equipment, ensuring high safety standards.

EDUCATION

Associate of Applied Science in Pipefitting Technology

May 2015

Community College of Houston, Houston, TX • GPA: 3.5

SKILLS

Technical Skills: Pipe Installation, Blueprint Reading, Welding Techniques, System Maintenance

Tools & Frameworks: Pipe Bending Tools, Welding Equipment, Hydraulic Press, Pipe Threading Machines
