SUMMARY

Dedicated Radiologic Technologist with over 5 years of experience in diagnostic imaging and patient care. Proven ability to utilize advanced imaging technology to deliver high-quality results while ensuring patient safety and comfort.

EXPERIENCE

Radiologic Technologist

Jan 2022 - Present

HealthFirst Imaging Center, Seattle, WA

- Increased patient throughput by 20% through efficient workflow management and scheduling.
- Performed over 1,500 diagnostic imaging procedures annually with a 98% accuracy rate.
- Implemented a new digital imaging system that reduced processing time by 30%.

Radiologic Technologist

Jun 2018 - Dec 2021

Metro Health Hospital, Seattle, WA

- Assisted in the completion of over 2,000 radiographic examinations while maintaining a patient satisfaction rate of 95%.
- Trained and mentored 5 junior technologists in advanced imaging techniques and safety protocols.
- Contributed to a departmental initiative that reduced radiation exposure by 15% through improved practices.

Radiologic Technologist Intern

May 2017 - May 2018

City General Hospital, Seattle, WA

- Gained hands-on experience in performing X-ray, CT, and MRI procedures under supervision.
- Assisted in patient positioning and care, ensuring comfort and safety during exams.
- Participated in quality assurance projects that improved imaging accuracy by 10%.

EDUCATION

Bachelor of Science in Radiologic Technology

May 2018

University of Washington, Seattle, WA • GPA: 3.8

SKILLS

Technical Skills: X-ray Imaging, CT Scanning, MRI Technology, Patient Care

Tools & Frameworks: PACS, RIS, Digital Imaging Systems
