SUMMARY

Dedicated scaffolder with over 5 years of experience in providing safe and efficient scaffolding solutions for various construction projects. Skilled in interpreting blueprints and ensuring compliance with safety regulations, leading to a 30% reduction in on-site accidents.

EXPERIENCE

Scaffolder

Jan 2022 - Present

ABC Construction Ltd., Dallas, TX

- Successfully implemented a new scaffolding system that reduced assembly time by 20%, saving the company approximately \$50,000 annually.
- Trained and supervised a team of 5 scaffolders, improving overall team efficiency by 15% through enhanced safety protocols and teamwork.
- Conducted regular inspections and repairs, ensuring a compliance rate of 100% with OSHA safety standards.

Junior Scaffolder

Jun 2018 - Dec 2021

XYZ Builders, Fort Worth, TX

- Assisted in the assembly and disassembly of scaffolding for over 50 commercial projects, ensuring timely completion within tight deadlines.
- Gained proficiency in the use of scaffold design software, which improved project planning accuracy by 25%.
- Collaborated with site managers to develop effective safety strategies, contributing to a 40% decrease in workplace injuries.

Construction Laborer

May 2016 - May 2018

BuildRight Inc., Arlington, TX

- Supported scaffolding operations on various residential projects, learning key assembly techniques and safety measures.
- Participated in daily safety briefings and contributed to achieving a project completion rate of 95% within budget.
- Assisted in the maintenance of scaffolding equipment, prolonging its lifespan and reducing replacement costs.

EDUCATION

Associate of Applied Science in Construction Technology

May 2016

Dallas Community College, Dallas, TX • GPA: 3.5
