SUMMARY

Dedicated Science Teacher with over 5 years of experience in fostering student engagement and learning in diverse classroom settings. Proven ability to enhance student understanding of scientific concepts through innovative teaching methods and hands-on experiments.

EXPERIENCE

Science Teacher

Aug 2021 - Present

Lincoln High School, Seattle, WA

- Improved student test scores in biology by 30% through the implementation of interactive lab experiments and personalized tutoring.
- Developed and introduced a new curriculum for AP Chemistry that increased enrollment by 20% over two years.
- Utilized technology such as Smart Boards and LabQuest devices to enhance interactive learning experiences.

Middle School Science Teacher

Sept 2018 - June 2021

Greenwood School, Seattle, WA

- Designed engaging lesson plans that resulted in a 25% increase in student participation during science fair projects.
- Implemented a peer tutoring system that reduced homework completion time for students by 40%.
- Conducted after-school STEM workshops that attracted over 50 students, fostering their interest in science and engineering.

Science Tutor

Jan 2016 - May 2018

Self-Employed, Seattle, WA

- Provided one-on-one tutoring for high school students in biology and chemistry, leading to a 95% success rate in passing AP exams.
- Developed customized study plans that improved client grades by an average of one letter grade within one semester.
- Utilized various online platforms for remote tutoring, enhancing accessibility for students.

EDUCATION

Bachelor of Science in Biology

May 2018

University of Washington, Seattle, WA • GPA: 3.7

SKILLS

Technical Skills: Lab Safety Procedures, Curriculum Development, Data Analysis, Classroom Management

Tools & Frameworks: Google Classroom, Smart Board Technology, LabQuest, PhET Interactive Simulations
