SUMMARY

Detail-oriented Senior Clinical Research Coordinator with over 7 years of experience in managing multi-site clinical trials. Proven track record of improving trial efficiency and compliance through the implementation of innovative methodologies.

EXPERIENCE

Senior Clinical Research Coordinator

Jan 2022 - Present

Health Innovations Group, San Francisco, CA

- Successfully managed a budget of \$1.2 million for over 5 clinical trials, resulting in a 30% reduction in costs through strategic vendor negotiations.
- Increased patient enrollment by 25% within the first 6 months of implementing a new patient outreach program.
- Utilized EHR systems and advanced data analytics tools to streamline reporting processes, reducing report generation time by 40%.

Clinical Research Coordinator

Jun 2018 - Dec 2021

MedTech Solutions, Los Angeles, CA

- Coordinated 10+ phase II and III clinical trials, ensuring compliance with FDA regulations and GCP standards, which led to zero audit findings.
- Developed and executed training programs for junior staff, improving team productivity by 15%.
- Implemented remote monitoring protocols that resulted in a 20% decrease in on-site visits without compromising data integrity.

Clinical Research Associate

Aug 2015 - May 2018

BioResearch Corp, San Diego, CA

- Monitored clinical trial sites across California, achieving a compliance rate of 98% in data collection and reporting.
- Assisted in the development of study protocols that led to a successful FDA submission, resulting in a new drug approval.
- Collaborated with cross-functional teams to conduct feasibility studies, enhancing project timelines by 25%.
