SUMMARY

Dynamic and results-oriented Senior Hospital Administrator with over 10 years of experience leading healthcare operations and improving patient care quality. Proven track record in managing budgets exceeding \$20 million and implementing strategic initiatives that enhance operational efficiency by up to 30%.

EXPERIENCE

Chief Operations Officer

Jan 2022 - Present

St. Francis Hospital, San Francisco, CA

- Implemented a hospital-wide electronic health record system, reducing patient processing times by 40% and improving patient satisfaction scores by 25%.
- Led a cost-reduction initiative that saved \$1.5 million annually while maintaining high quality of care.
- Managed a team of 150+ staff, fostering a culture of continuous improvement and professional development.

Director of Operations

Jun 2018 - Dec 2021

Bay Area Medical Center, Oakland, CA

- Overhauled operational workflows, which increased departmental productivity by 35% and decreased patient wait times by 20%.
- Spearheaded a community outreach program that increased patient enrollment by 15% in underserved areas.
- Developed and executed a strategic plan that improved hospital revenue by \$3 million over three years.

Healthcare Administrator

Mar 2015 - May 2018

Greenwood Health Systems, Seattle, WA

- Introduced data analytics tools to track patient outcomes, leading to a 30% improvement in treatment effectiveness.
- Coordinated a facility expansion project, completed 6 months ahead of schedule and under budget by 10%.
- Enhanced staff training programs that resulted in a 50% reduction in employee turnover.
