SUMMARY

Results-driven Senior Level Loss Prevention Manager with over 8 years of experience in retail security and loss prevention strategies. Proven track record in reducing theft and shrinkage by over 30% through innovative training programs and advanced surveillance techniques.

EXPERIENCE

Senior Loss Prevention Manager

Jan 2022 - Present

Retail Solutions Inc., Seattle, WA

- Implemented a new loss prevention training program that decreased theft incidents by 25% within the first year, saving the company approximately \$500,000.
- Led a cross-functional team to deploy advanced analytics tools, resulting in a 40% reduction in inventory shrinkage over 18 months.
- Developed and maintained relationships with local law enforcement, enhancing response times to incidents and improving overall store security.

Loss Prevention Manager

May 2018 - Dec 2021

Big Box Retailer, Portland, OR

- Conducted comprehensive audits that identified and resolved \$300,000 in undetected losses through process improvements.
- Drove the adoption of electronic article surveillance (EAS) technology that improved recovery rates by 35%.
- Trained and developed a team of 10 loss prevention associates, enhancing team performance and engagement.

Loss Prevention Associate

Jun 2015 - Apr 2018

National Retail Chain, San Francisco, CA

- Assisted in the implementation of loss prevention policies that contributed to a 20% decrease in theft-related incidents across multiple store locations.
- Utilized surveillance technology, leading to successful apprehensions and a reduction in shrinkage by \$200,000 annually.
- Provided training sessions for new hires on theft deterrence techniques and loss prevention strategies.
